## North Africa

North Africa was the vibrant homeland of Christianity for centuries before Islamic armies rolled across its shores and subjugated the population in the seventh century. Islamic *sharia* slowly choked the existing Christian communities, leaving one of the most concentrated Islamic populations in the House of Islam. Today North Africa's 100 million Muslims constitute 98-100 percent of the population in Mauritania, Western Sahara, Morocco Algeria, Tunisia, and Libya.

The Muslim season of Ramadan begins June 6th. What better time than Ramadan for Christians to unite their prayers together for the world's Muslim peoples as this is a special time when Muslim's fast and pray, seeking God in special ways.

- We can pray that God would reveal Christ to them during this time.
- We can pray that through dreams and visions they would be visited as the Holy Spirit reveals the true Messiah.
- We can pray that the emerging Christian movement will endure despite Government efforts at Arabization and Islamization.
- We can pray that the new Berber translations of the gospel will awaken the faith of North Africa's indigenous Berber populations.
- We can pray that Scripture translation, radio and satellite television, and indigenous witness will contribute to a rediscovery of the new ancient faith of Christianity in North Africa.

## **CRASH COURSE IN SPANISH**

When: Wednesday nights, June 8 to July 27

Time: 6:00-8:00PM

Teacher: Christy Fitzwater, Spanish Extraordinaire

In a church where it is our joy to take the good news of Christ to all people, it seems fitting that we develop our ability to speak other languages.

Join us as we learn basic sentences, verb use, and a simple Gospel presentation. The classes will be designed to stand alone, so if you need to miss a few for vacations you won't be totally lost.

Whether you're brand new to the Spanish language or you just need a refresher, this class is for you. Please bring a pen and notebook.
