Report of Summer Camps at Glacier Meadow Lodge

"What a great summer we had. Beautiful weather, great staff and just a wonderful, meaningful time with 80 campers. We had seven make a first time profession of faith in Christ. We also saw several campers who had made commitments in previous years. It was amazing to see growth and maturing in their young Christian lives. Our theme this year was the study of the Proverbs. We saw it resonate with the kids on all those practical ways to trust in the Lord, make good friends, avoid the fool, listen to counsel, and use our words to encourage and not to tear down. We had two groups from Alabama and Iowa that helped us staff for two weeks. They were a great help and brought us energy and ministry experience to work with the kids. Thanks also to the rest of our staff volunteers and supporting churches. The park was very busy this summer. In fact, it broke records of attendance. Even with this extra traffic we had terrific trips to the park with the kids. It is always a praise to end the camp schedule with no major injuries and no bear sightings at camp. We did see lots of wildlife this summer including elk, deer, moose, bald eagles, and a family of foxes. Continue to pray for the perseverance of these young believers. Thank God, for our safety and protection and for your prayers and support."

“This is what the LORD Almighty says: ‘Administer true justice; show mercy and compassion to one another.’” Zechariah 7:9

God is passionate about justice because it is in accordance with His nature to be just in all His dealings. When nations base their laws and institutions on principles of justice for all, the God of justice is pleased. Of course, this means that the contrary is true as well. When injustice creeps in, it brings with it the displeasure of God. The nation that wants the blessing of God will ensure justice for all!

I thank You, Lord, that You are perfectly just in all Your ways. You deal with us impartially, imparting justice while showing mercy and compassion. Help us to be like You in this way. I pray for the judicial system of this nation. Restore godliness to the courts of our land. May those who make our laws do so with a deep commitment to justice for all. In the name of Jesus, we come against any spirit of privilege or special interests that would mar the true administration of justice. May a river of justice and righteousness sweep across our nation!
