**What CNN and Fox Won't Tell You About the Move of God in our Capital**

“You won’t hear this reported on CNN or Fox News because news programs sell spin and controversy. Good news won’t raise ratings. Is God through with America yet? I don’t believe so. I think America’s greatest days may be just around the corner. In fact, I believe God has been silently, behind the scenes, answering our 2 Chronicles 7:14 prayers for some time now, at First Street and East Capitol Street, in the heart of the U.S. Capitol with the 114th Congress. Did you know, for the past two years, weekly Christian worship services for members of Congress and staff, called the Jefferson Gathering, are being held in the Capitol building after an absence of 144 years? More than 150 members have attended in two years and many now attend on a regular basis. Several people have given their lives to Christ. Did you know there are more ‘passionate followers of Jesus Christ” in the 114th Congress than at any time since President Calvin Coolidge? We are working with close to 200 sincere followers of the Lord in the House and Senate. Did you know, on occasions, as many as 90 pastors will be praying together in the Capitol Rotunda while the House of Representatives is debating controversial freedom of religion amendments on the House floor? Did you know that, on most Wednesday evenings, prayer for America is happening in the Rotunda? It is! Have you heard? Beginning on Sunday, September 4, three Christian worship services will begin in the Ways and Means Room in the Capitol building for all federal employees and Capitol Police. It’s been 150 years since regular Sunday church services were held in the U.S. Capitol. This is big new! How did this all begin to happen? America has been praying, that’s how! And God is right now in the process of answering those prayers by raising up godly men and women in Congress. Keep praying, and keep voting. God is not finished with America yet.”

*Dan Cummins, Associate Pastor of Skyline Church in San Diego, and convening pastor of The Jefferson Gathering.*

*"Surely God is my salvation; I will trust and not be afraid. The Lord, the Lord, is my strength and my song; He has become my salvation." Isaiah 12:2*

There are many things that can strike fear into the heart of a nation. The Bible warns us not to be afraid. The reason given is that God is our salvation. Isaiah reminds us that when a nation or person trusts in the Lord, He steps in and brings salvation. When we experience the Lord's deliverance, fear is replaced by song of joy, as Isaiah declares. Has the Lord become your song?

*Lord, I agree with Your Word that You are our salvation. I believe that for my nation. Help us as a nation to cast aside fear and trust in You. Lord, do a mighty work in the hearts of Your people in the United States that brings about a national shift in priorities and confidence. We trust in You, Lord. Become our strength and our song!*
