South Asia Project Team

The four members of our team left Monday, September 19, and will return on September 29. As always, we not only pray for the team and their work, but the families that remain in the States. Time and again we have witnessed the enemy targeting the families as a distraction to the team members.

Prayer points for our team and our partners:

- Intimacy with the Lord
- Wisdom and effective training
- Health and safety for the team and their families
- Great teamwork and communication
- Clear communication and strategy regarding future trips

Prayer Points for unreached people:

- God would pour out His Spirit
- Disciples would be made and lives would be transformed
- They might catch vision of what God wants to do through them
- They would start new groups or churches

Our mission trips are a joint effort of those who go, those who give, and those who pray. May we be faithful in our part.

We are looking for our service niche in our host country. How can we plug in and advance the Kingdom here as we keep an eye to our people group focus?

Pray for 'Paul's' safety, effectiveness of translation work, and witness in a hostile environment of unreached Muslim people.

Jorene Williams: BCM, After School Bible Club

Kveta a Vladimir Zemanov: Vysoke Myto, Czech Republic

.....

BE IN PRAYER FOR THE FOLLOWING:

Salvation Army, Kalispell
Floral Park Baptist Church, Butte
Central School, Kalispell
Headstart—Kalispell/North Valley

Our nation doesn't know it, but America needs the church. Not just as a bunch of good-deed doers, but as those who give direction for the future, and preserve and protect in the present. We've not done this well, but that is the place in which God has put us. We are to be salt and light, both as seasoning and protection for our society. The nation cannot afford a sidelined church, taken by worldliness and confusion. Sometimes the best way to pray for our nation is to pray for the CHURCH.

- Repent of the church's failure to be salt & light in our society
- Pray for a transformation in the church through a renewing of our minds through the Word of God.

MEN'S FELLOWSHIP BREAKFAST

Saturday, October 1 | 7:30am to 9:30am

Join us on Saturday, October 1st, at Easthaven from 7:30am-9:30am for a free breakfast. We will fellowship together and connect with one another. Our goal is to provide an opportunity for men to connect socially. We will try to identify the common interests and hobbies of men (see the next page for survey). During the breakfast, we will collect surveys and connect men together.

Another goal is to have a speaker at these breakfasts to talk about life issues and experiences that are relevant to men. We are excited to have Pastor Mike Marris speak on October 1st. Mike has extensive counseling experience, connected with LOGOS Christian Counseling Center at Easthaven. We have asked Mike to share some of what he sees as common caution signs and actions to be taken to improve either a marriage and/or parenting issues.

In case you haven't noticed, the American church is under attack. We deal with many issues concerning students and marriages. Everyone knows that divorce is not uncommon, even in Christian marriages. A person once said, "The best way to make a good marriage bad is to *do nothing!*" Come fellowship with other men as we take a deeper look at these issues.

Join us and bring a friend!
