Report from *Northern Lights*

“It’s been a crazy summer so far! Most of our recent visits have been to tents, and we love drinking tea in a setting that has seen little change for thousands of years. Things are heating up, literally. It’s been well over 105 each days and most days over 110. We’ve been out of the heat for several years, so it’s taking some time for us to get used to it again.

Please pray for physical stamina as we travel several hours each day by car and then try and visit in as many homes as we can. The days are long and hot, but we love being able to be in homes. Pray for the healing of the people that we visit. Several are very sick.

Also, our country has been in the news lately as several events have stirred up civil unrest. We are also pushing to share more boldly. Our team goal is to share 250 times in the coming months. But, roads have been closed and travel has been restricted, so we are unable to visit as often as we would like.

Pray that the civil unrest would lead to unrest in people’s hearts and that they would begin to seek the truth. Also, ask for continued boldness as we seek to share. Pray that we might meet those who are ready to hear the Story.

We ask for prayers personally. As we seek to push the edges, we carry a lot of stress and pressure. We have new areas of outreach and growing pains.

Pray for wisdom and that we would be filled with His Spirit. Pray that we would clearly see His path and that we would walk in obedience.”

We’d love to pray for you! Update our online prayer chain by going to easthaven.org. Click *resources*, then *prayer*. Click on *share your prayer request* and fill out the form.
