## Teaching Our Children To Pray

### Prayer Board

To help your child visualize specific things he or she wants to pray about, get a large poster board, magic markers, glue, and crayons. Together, clip out pictures that represent his or her topic of prayer from an old magazine or newspaper, or print them from the Internet, and glue them onto the poster board. You can label them. Once completed, the board will represent things that your child is praying for.

### Cell Phone Prayers

- Pull up the list of your *favorites* (the people with whom you often speak with on the phone). You and your child can go down the list praying for each one, one at a time.
- Pull up the last ten or twenty photos you've taken and pray for the people seen in each one.

We'd love to pray for you! Update our online prayer chain by going to [easthaven.org](http://easthaven.org). Click *resources*, then *prayer*. Click on *share your prayer request* and fill out the form.
