

EASTHAVEN **MISSIONARY UPDATE**

ZACH AND CARRIE WOLFE

FROM ZACH AND CARRIE WOLFE:

“In 2014, while we were living and serving in NYC I (Zach) had the wonderful opportunity of meeting Michael, an International Student at NYU from the Middle East. He was raised in a devout Muslim family and lived in the most religiously devout city of his country. From the very beginning, Michael was spiritually curious and interested. After meeting the first time, we quickly began an overview of the Bible, beginning in Genesis and ending in Revelation. Over the course of our final year in NYC we continued to meet, pray, and he even began to attend our house-church. However, he was not willing to surrender his life to Jesus. He still had too many questions, concerns and doubts.

We left NYC and Michael and I have kept in touch. Michael has continued seeking truth and the right path to follow. Last week we skyped to review the book *The Case For Christ* and discuss his questions. The book had given him confidence that Jesus had indeed risen from the grave. Praise God!

How many of us are really in danger in America to be at risk of losing our lives because of Jesus? Not many. The risk is real for Michael. Many have been persecuted, imprisoned and killed because of putting their faith in Jesus in the country he is from.

Pray for Michael especially in these early days that he would know that Jesus is with him. Pray that God would give me direction as I guide him in the faith and seek to find a brother in NYC to walk alongside him.”

PRAYER REQUESTS:

- Praise: Thank you for your prayers! Our good Father has heard them! The angels rejoice at Michael's coming into the Kingdom!
- Please pray for us as we are opening our hands to God for our future. We don't know what the future holds for us and where God would have us! We know one thing, that we are Called to make Christ known among the un-reached peoples of the earth. Pray that God would lead us to the place and people where He wants us to be.
